## SIU RECREATIONAL REGISTRATION INFORMATION SHEET (FALL 2010)

**Registration** - Register online through a link on our website, [www.siusoccer.com](http://www.siusoccer.com) or use this registration form and mail it with your payment to the address above, "Attn: Rec Registration". Fees, age groups and qualifying birth dates are shown below. If you are a resident of another state, you must register with your home state to get permission to play in Indiana. Our Registrar will coordinate with the appropriate agencies when you indicate your state of residence on our Registration Form. More information can be found in our Policies and Procedures manual.

**Team Selection** - There are no tryouts. The seasonal year is from fall to spring just like school. Players and coaches are assigned to teams in the fall. In the spring, players will stay on the same team provided the coach returns and the player registers on time. All vacancies will be filled by newcomers at random by the Registrar. Children of coaches and Asst. Coaches will be placed with their parents. REQUESTS FOR SPECIFIC ASSIGNMENTS WILL NOT BE HONORED.

Note: Players may be allowed to play up in age at the club's discretion.

**Practices/Games** - The U5 and U6 age groups combine practice and a game in one session. Practice is from 6-6:30 p.m. and the game is from 6:30 –7:00 p.m. Coaches schedule practices for teams in the U7 and higher age groups. As a guideline, we suggest 1-2 practices a week, maximum, for children in these groups. Most games for U7 through U10 are played on Saturdays. Field locations will be announced prior to the season. Games for U12 and higher age groups are on local fields, and at "away" locations in surrounding counties in Indiana and Kentucky. Each team is scheduled to play eight games during each season. The seasons run from about early March to Memorial Day in the spring, and late August to Halloween in the fall.

**Coaching** - SIU Recreational Division registers approximately 400-600 children each season and we rely completely on volunteer coaches. We will create as many teams as possible based on the number of coaches and fields available. If you would like to be a coach please contact the Recreational Registrar, Jef Fifer, at (812) 923-1273 or e-mail him at [recregistrar@siusoccer.com](mailto:recregistrar@siusoccer.com). It's a great, no pressure opportunity to have fun with kids in your community.

**Coaching Clinic** - There is a free, mandatory clinic for coaches who have not previously completed the IYS Youth Module I training. The clinic covers age appropriate instructional activities, techniques, risk management, league guidelines and general information. Representatives of the both Indiana Youth Soccer (IYS) and SIU provide expert instruction and attendees are credited for completion of the Youth Module I training program. The place, date & time of the clinic is announced near the end of the registration period.

### **Volunteers**

SIU is run exclusively by volunteers (except that Select Coaches are paid). The club's success depends on adult participation. Listed below are some positions where you can volunteer to help. Please contact our Volunteer Commissioner or any Board member (contact info on our website) with your interest in any of these or other areas. **In order to ensure the safety of the players in this club, all adult volunteers must submit to a confidential background check by Indiana Youth Soccer (IYS). Instructions will be sent to all volunteers as soon as registration ends. Background checks must be submitted before the season begins.**
