Date: _____

Current Season: Fall Spring

Division: Competitive Recreational Age Group: _____

Coach Name: _____

Address: _____

Phone: _____ E-mail: _____

Explain licensing course/symposium/seminar and attach backup materials to this form:

The Fine Print

SIU believes that our coaches are our greatest asset and strongly encourages continuing education for ALL our coaches. Funds are budgeted each season for this purpose. Coaches should discuss with the appropriate Coaching Commissioner obtaining licenses and attendance at various symposiums in our area. The coach should submit a Request for Coaching Education Funds to the Coaching Commissioner with the completed application/registration form attached. The Coaching Commissioner will determine how the budgeted amounts will be spent each season and forward the forms to the appropriate Finance Manager for payment. Once the registration has been mailed, the Finance Manager will issue a \$15.00 per diem expense stipend to the coach to cover meals and travel costs where overnight stays are required. Additional expenses (hotel, mileage, etc.) will be borne by the coach, unless approved by the SIU Board. Indiana Youth Soccer Association, Kentucky Youth Soccer Association, Indiana University and the University of Louisville offer numerous symposiums and licensing courses throughout the year. Expenses over the budgeted amounts may be approved by the SIU Board.

Approved: _____
