SIU SELECT FACT SHEET 2010-2011

Thank you for participating in our tryouts for the 2010-2011 season. We look forward to the continued success of our programs, and hope you are selected for one of our travel teams so you can share in all we do to improve youth soccer in southern Indiana. If you are not selected for one of our travel teams, we encourage you to register in our recreational program (deadline July 15 for the Fall, February 15 for the Spring) and we hope to see you again next year.

All players will be contacted by the coach by phone, and told if they were selected to be a part of the team. If you are selected for one of our teams, congratulations and welcome! You should click on the link for "Select Registration" on our website and begin your registration. You may pay by credit card or by check payable to SIU, and mail to P.O. Box 3233, Clarksville, IN 47129. **Once selected for a travel team, you must provide the following to your Team Manager immediately:**

1. Notarized Medical Release (notarized with a raised seal); **NEED A NEW MEDICAL RELEASE FORM EVERY YEAR.** This release is on the registration form that you will print as the last step of your online registration thru GotSoccer.
2. Copy of player birth certificate that we can keep.
3. Passport size photo for player card.
4. If player is a Kentucky resident, need Kentucky Out of State Permission to Play Form (with \$20 check payable to Kentucky Youth Soccer).

TRYOUTS AND TEAM SELECTION

Tryouts are held at the end of the Spring season in accordance with Indiana Youth Soccer tryout date rules to form Select teams for the upcoming Fall and the following Spring season. U9 players may participate in our Academy Program. Players will complete the SIU Select Player Information Form at tryouts. Players will be expected to participate in BOTH tryout sessions unless otherwise coordinated. SIU coaches will select the best players for each team. Players will be placed on teams in their age level based primarily on their soccer skills. Moving players from one team to another or playing up in age will be viewed as the exception to the rule. Any player placement issues should be addressed with the VP-Select. After teams are selected, every player will be contacted by phone and the teams will be posted to the website. **ONCE PLAYERS ACCEPT A POSITION, THEY ARE COMMITTED TO SIU FOR THE SEASONAL YEAR (FALL AND SPRING).** Those who do not make a team are encouraged to play Recreational or Recreational-plus soccer with SIU and try out again next year. In order to be placed on a Recreational or Recreational-plus team, players need to contact the Recreational Registrar as soon as possible prior to July 15.

*** U17 and above team rosters may have 22 players but only 18 on each game roster

PRACTICES/GAMES

Your Team Manager or Coach will inform you of the practice times and locations (usually at least twice per week, lasting 1½ to 2 hours each). The coach will select the practice times and locations. Each team can expect to have 6-10 league games (half home, half away). Teams will also compete in tournaments which will include overnight stays in hotels (U10 one tournament; U11 and above two). Coordination for all events is normally handled by the Team Manager. The season runs from about late August to Halloween in the fall, and early March to Memorial Day in the spring. **Competitive soccer players are required by Indiana Youth Soccer rules to play for their team for the entire year (August 1 - July 31) and may not change to another team during that year.** Participation in our club is governed by Indiana Youth Soccer Association rules and copies of our club policies, as well as IYS rules, can be obtained from our website. It is important that all players attend all practices, games, tournament and clinics unless excused by their coach. Some players want to juggle multiple sports during soccer season; playing another sport requires sometimes having to make a choice as to which practice or which game to attend. This can create a hardship for the rest of the team so this is an issue that must be discussed with the coach prior to accepting a position on the team. All players and parents are required to act in a respectful manner toward coaches, referees and spectators. All players and parents are expected to represent the team and club in a positive manner. All players should treat their teammates with respect and abide by all club rules.

FEES

Select Teams have a NONREFUNDABLE deposit of \$200 (\$150 for U10) for Fall AND Spring due as indicated below (this holds your position on the team). Select Uniforms are additional - payment is due at the time of registration. **IT IS YOUR RESPONSIBILITY TO PAY ON TIME. WE ARE STAFFED 100% BY VOLUNTEERS AND DO NOT HAVE THE TIME NOR THE FUNDS TO SEND INVOICES.** Nonpayment of fees by the designated due dates will result in players being ineligible to play until payment arrangements have been made. Late payments will incur a \$10 late fee; checks returned for insufficient funds will incur an additional \$20 charge. Fees may be paid by check made out to SIU and sent to the address above or by credit card if registering online. **NO REFUNDS WILL BE GIVEN AFTER FEES HAVE BEEN PAID** except as authorized by the Board of Directors.

SIU is a not-for-profit 501(c)(3) corporation. Fees are paid each season (Fall and Spring) and cover such team and club expenses such as coaches' salaries and travel expenses, tournament entry fees (two per season), referee fees, league entry fees, field maintenance, coaches' and practice equipment. All our board members are volunteers and we welcome anyone to our board meetings which are held the second Wednesday of every month. We are always looking for volunteers and would love to have you get involved with our club!

A multi-player family discount of 10% is given for additional siblings playing Select with SIU. Partial grants are available to players based on need. Parents in need of financial assistance must complete the Work-Play Grant Request Form and submit it to the VP-Select for approval. Application shall be made each season (Fall and Spring). SIU expects grant players and parents to help team managers and coaches, line fields, or volunteer for other tasks to help the club.

OTHER COSTS

Many players choose to purchase ball bags, hoodies and extra socks but none of these are required. Sometimes teams do fundraisers to pay for certain items. SIU apparel can be ordered twice each year (Aug. 15 for the Fall; Feb. 15 for the Spring). At the end of the season, most teams have some type of party where a nominal contribution might be requested.

TEAM MANAGERS

Every Select team has a Team Manager. The Team Manager coordinates the activities of the team and is the liaison between the team and the SIU Board. They are not involved in coaching; however, they may serve as a liaison between the parents and the coach (but NOT about player issues or playing time issues). The Team Manager is the ultimate communicator and facilitator. Your Team Manager will provide you with the logistics needed to have your player where they need to be (practice, games, tournaments). SIU contracts with One Call Now to provide a phone tree service for all Select teams. Team Managers will communicate via email, phone or the phone tree service. Make sure you understand your Team Manager's plan for getting information out to the players and parents.

LEAGUES

Most of our Select teams play in the Kentucky Select Soccer League (KSSL). Some teams (U13 and older) may apply to play in the prestigious Indiana Soccer League, for which the fee is greater, as is the competition. Each team is placed in a division based on their prior season's record (ISL looks at prior league records, tournament wins, number of ODP players, as well as prior club participation in the ISL). All leagues seed teams as best they can - SIU has no control over that (other than what is put on the league application).

PAPERWORK

Once the player accepts a position on a team, he must IMMEDIATELY register with GotSoccer USING THE LINK PROVIDED ON OUR WEBSITE. You MUST use this link to register, by going directly to GotSoccer's website will NOT link you to SIU. The \$200 nonrefundable deposit must be paid immediately, or you may pay in full. It is IMPERATIVE that the necessary paperwork (see above) is given to the Team Manager immediately. Some of the forms are required by SIU, some by Indiana Youth Soccer and some by US Youth Soccer. The Select Player Information Form is used for entering player information into SIU's database (club and team news is communicated via email so be sure your email address is legible), which is linked to Indiana Youth Soccer's database, which is how player cards are generated. Information on this form MUST BE CORRECT. The Medical Release Form (notarized with a raised seal) is required by Indiana Youth Soccer and is required for any tournaments (this is on the registration form that you will print once you register online). These are checked (and they check for the raised seal) by the tournament officials the night before the tournament begins. The copy of the player's birth certificate is required by SIU and Indiana Youth Soccer to verify age group placement. This is also checked by the tournament officials the night before a tournament begins. The passport size player photo is placed on the player card; player cards are checked by the referees at the beginning of EVERY match, whether it be league play or tournament play. Every player must have a player card; all player cards are the property of SIU and shall remain with the Team Manager at all times.

SIU BOARD OF DIRECTORS

SIU's current Board of Directors is listed below. We are in desperate need of new volunteers (see Volunteers section below), as most on our board have been involved for many years and will not live forever! Each board member serves a two-year term; offices are staggered with the election of President, Vice President-Select Division, Vice President-Referees and Vice President-Fields on even years; and the Secretary, Vice President-Recreational Division, Vice President-Registration and Vice President-Finance on odd years.

President - Jim Kotowski	Vice President Registration - Jef Fifer
Vice President Select - Debbie Webb	Vice President Finance - Nancy Mazza
Vice President Referees - Gemma Newland	Secretary - Marcia Jacobi
Vice President Fields - Dan Knable	Director of Coaching - Dutch Vigar
Vice President Recreational - VACANT	Webmaster - Todd Perkins

VOLUNTEERS

SIU is run exclusively by volunteers (except that Select Coaches are paid). The club's success depends on adult participation. Listed below are some positions where you can volunteer to help. Please contact any Board member (contact info on our website) with your interest in any of these or other areas. In order to ensure the safety of the players in this club, all adult volunteers must submit to a background check by Indiana Youth Soccer (IYS). This is done in a confidential manner online.
