

Southern Indiana United Winter 3v3 Tournament Severe Weather and Security Plan

Severe Weather Plan:

This tournament is being held indoors at Silver Street Park in New Albany, Indiana. As a result, the weather should not influence the ability to continue play in the facility. However, if severe weather prevents teams from driving to the facility, then the participants of the tournament will be notified by Friday night of tournament of cancellation.

If a natural disaster should occur during the tournament, we will follow the guidance of the New Albany Police Department and New Albany Parks Department. Please see the attached evacuation plan provided by the New Albany Parks Department.

Security:

New Albany City Police will be notified of the tournament hours and will be requested to be in close proximity at all times.

In addition, it is expected that each coach will monitor their players, parents, and spectators to promote a positive, friendly, and incident free tournament.

Note: All significant incidents will be reported to the Tournament Director and Risk Manager of the club.
